

فرم داده نامه شخصی

اطلاعات شخصی

نام: بابک نام خانوادگی: جوانمرد محل تولد: گرگان سال تولد: 1358

وضعیت تاهل: متاهل

شغل: دانشیار دانشگاه علوم پزشکی شهید بهشتی

Email : drbabakjavanmard@gmail.com

• سوابق تحصیلی

- تحصیل در دانشگاه علوم پزشکی شهید بهشتی در مقطع دکترای عمومی ورودی مهر 76
- تحصیل در دانشگاه علوم پزشکی شهید بهشتی در مقطع دستیاری ورودی مهر 85
- تحصیل در دانشگاه علوم پزشکی شهید بهشتی در مقطع فلوشیپ پیوند کلیه ورودی مهر 93
- رتبه اول بوردا دانشنامه تخصصی سال 90

• سوابق علمی پژوهشی و اجرایی

- اجرائی:

رئیس مرکز تحقیقات کاربرد لیزر در علوم پزشکی
پرستور دانشجویان پزشکی بیمارستان شهدای تجریش
عضو کمیته آزمون مرکز EDO دانشکده پزشکی دانشگاه علوم پزشکی شهید بهشتی
عضو کمیته مورتالیه بیمارستان شهدای تجریش
عضو شورای پژوهشی مرکز تحقیقات لیزر در علوم پزشکی
مسئول آموزش دستیاری گروه ارولوژی دانشگاه علوم پزشکی شهید بهشتی

الف) طرحهای تحقیقاتی

- بررسی موربیدیته باروری مردان در ایران فاز اول (بیماریهای امیزی؛ ناباروری؛ اختلال عملکرد جنسی)
- بررسی اثرات رادیوتراپی حین عمل در کنسرهای پروستات با تهاجم بالا
- بررسی اثر تزریق بوتاکس در مجرای پروستاتیک در بیماران با علائم دردهای مزمن لگن

- بررسی اثرات داروی بیهوشی پروپوفل در انجام یورتروسکوپی
- بررسی کارایی و عوارض استفاده از یورتروسکوپ فلکسیبل و لیزر در مقایسه با PNL در سنگ های کلیه زیر 2cm
- بررسی کارایی و عوارض ریمپلنت حالب در بیماران با کنسر پروستات پیشرفته در مقایسه با دایورژن ادراری

ب) مقالات ارائه شده در کنگره های ملی

- Giant ureteral stone: Report of a case (poster for IUA 2009)
- Blind versus fluoroscopy-guided percutaneous nephrolithotomy (oral presentation for IUA 2009)
- Impacted Upper-Ureteral Calculi: Which is the best; Percutaneous Antegrade Removal or laparoscopy or extracorporeal shockwave lithotripsy or Retrograde Approach? (oral presentation for IUA 2009)
- Ultrasonography-guided percutaneous nephrolithotomy in flank position versus fluoroscopy-guided percutaneous nephrolithotomy in prone position: a comparative study (oral presentation for IUA 2009)
- Successful macro-surgical reimplantation of an amputated penis (poster for IUA 2009)
- Sponge-sparing versus Standard end to end Bulbar Urethroplasty (poster for IUA 2010)
- Blind percutaneous nephrolithotomy under full fluoroscopic guidance (poster for IUA 2010)
- Management of Impacted Upper-Ureteral Calculi: Percutaneous Nephrolithotomy, laparoscopy, ESWL or Ureteroscopy? (poster for IUA 2010)

ج) مقالات پذیرفته شده در کنگره های بین المللی

- Desmopressin: An Alternative Solution for Urinary Leakage after Ureterocaliceal Surgery (poster for SIU 2009, China)
- Successful Macro-Surgical Reimplantation of an Amputated Penis (poster for SIU 2009, China)
- Impacted Upper-Ureteral Calculi: Which Is The Best; Percutaneous Antegrade Removal or Laparoscopy or Extracorporeal Shockwave Lithotripsy or Retrograde Approach? (poster for EUA 2010, Spain)
- Innovative and feasible dilation technique for urethral stricture (poster for SEEM 2010, Turkey)
- Lithotomy position related complications following posterior urethroplasty (poster for SEEM 2010, Turkey)
- The effects of surgical positioning on patients' arterial blood gases during percutaneous nephrolithotomy operation (poster for SEEM 2010, Turkey)
- Blind versus fluoroscopy-guided percutaneous nephrolithotomy: A randomized clinical trial (poster for SEEM 2010, Turkey)
- The immediate insertion of a penile prosthesis for prolonged ischemic priapism (poster for SEEM 2010, Turkey)
- A study on the success rate of sonographyguided PNL compared with laparoscopic ureterolithotomy in large proximal ureteral stone. (poster for EUA 2011, Vienna)
- Association of human papillomavirus infection and grade and stage of urinary bladder cancer (poster for SEEM 2011, Skopje)
- Prevalence and association of sexual dysfunction with potential risk factors in Iran: Results from an epidemiological study (poster for SEEM 2011, Skopje)
- Innovative and feasible dilation technique for urethral stricture (SEEM2010 Istanbul)

- The immediate insertion of a penile prosthesis for prolonged ischemic priapism(SEEM2010 Istanbul)
- A study on the success rate of sonographyguided PNL compared with laparoscopic ureterolithotomy in large proximal ureteral stone (EUA2011 Vienna)
- Desmopressin: An Alternative Solution for Urinary Leakage after Ureterocaliceal Surgery (SIU2009 China)
- Successful Macro-Surgical Reimplantation of an Amputated Penis (SIU2009 China)

د) مقالات چاپ شده در نشریات داخلی و خارجی

- Open Pyelolithotomy with Concurrent Percutaneous Nephrolithotomy in a Patient with an Ectopic Pelvic Kidney. (Translational Research in Urology,2023)
- Risk Factors and Histopathological Features of Renal Cell Carcinoma Subtypes. (Translational Research in Urology,2023)
- Intravesical Gemcitabine versus Intravesical Bacillus Calmette-Guerin for the Treatment of Intermediate-Risk Non-Muscle Invasive Bladder Cancer: A Randomized Controlled Trial (Urology Journal, 2023)
- Transurethral Resection of the Prostate and Inguinal Mesh Herniorrhaphy: Does Single Session Surgery Work Better? A Randomized Clinical Trial (Translational Research in Urology-2022)
- Intravesical Gemcitabine versus Intravesical Bacillus Calmette-Guerin for the Treatment of Intermediate-Risk Non-Muscle Invasive Bladder Cancer: A Randomized Controlled Trial (*Urology Journal* – 2022)
- Impact of COVID-19 Pandemic on Emergency Department Referrals with Urologic Complaints; a Retrospective Cross-Sectional Study (Archives of Academic EmergencyMedicine – 2022)
- Using Dry Human Amniotic Membrane in Secondary Intention Wound Healing After Urological Cancer Surgery: The First Randomized Clinical Trial in Iran (International Journal of Cancer Management – 2021)
- Factors Related to Mortality in Patients with Fournier’s Gangrene or Necrotising Fasciitis; a 10-year Cross- Sectional Study (Archives of Academic EmergencyMedicine – 2021)
- Diagnostic Utility of Lutetium-177 (Lu 177) Prostate-Specific Membrane Antigen (PSMA) Scintigraphy In Prostate Cancer Patients With PSA Rise And Negative Conventional Imaging . *Urology Journal*, Vol. 17 No. 4 (2020), , Page 374-378
- Use of human amniotic membrane repair of anterior urethral defect: First clinical report (INTERNATIONAL JOURNAL OF UROLOGY-2020)
- A Rare Case of Persistent Mullerian Duct Syndrome and Review of Literature (International Journal Of Cancer Management – 2020)
- Pathological Association Between Radical Prostatectomy and Needle Biopsy Specimen in Prostate Cancer Patients (International Journal Of Cancer Management – 2020)

- Evaluation of GNMT Gene Expression in Prostate Cancer Tissues using Real-Time PCR (The Journal of Toloo-e-behdasht – 2020)
- Urological Sarcoma Among the Iranian Population; A National Registry-Based Study (International Journal of Cancer Management – 2020)
- The Effect of Propofol on the Success Rate of Transurethral Lithotripsy by Holmium Laser: A Randomized Clinical Trial (Journal of Lasers in Medical Sciences – 2020)
- Human Papilloma Virus DNA in Tumor Tissue and Urine in Different Stage of Bladder Cancer (*Urology Journal* – 2019)
- Holmium: YAG Laser Incision of Bladder Neck Contracture Following Radical Retropubic Prostatectomy (*Nephro-Urology Monthly* – 2019)
- Painless Gross Hematuria: A New Presentation of Primitive Neuroectodermal Tumor of the Prostate (International Journal of Cancer Management – 2019)
- Experience of 138 Transurethral Urethrotomy With Holmium:YAG Laser (Journal of Lasers in Medical Sciences – 2019)
- Is Holmium Laser an Appropriate Modality to Treat Genital Warts? (Journal of Lasers in Medical Sciences – 2019)
- Characteristics of Traumatic Urogenital Injuries in Emergency Department; a 10-Year Cross-sectional Study (*Archives of Academic Emergency Medicine* – 2019)
- Diagnosing Hand and Wrist Tendon Injuries in Patients with Questionable Physical Findings: Let POCUS Show Its True Mettle (*Journal Trauma Monthly* – 2019)

Ultrasonography-guided percutaneous nephrolithotomy in flank position versus fluoroscopy-guided percutaneous nephrolithotomy in prone position: a comparative study (*Endourology Journal*)

- Is There Any Role for Urodynamic Study in Children with High-Grade Vesicoureteral Reflux? (*Urology*)
- Evaluation of successful rate of rerotting in urethroplasty (*Urology Journal*)
- Successful rate of buccal mucosal graft in hypospadiasis (*Urology Journal*)
- Vesicouterine fistula with conservative management; a case report (*Urmia medical journal*)
- Emphysematous cystitis; a case report (*Urmia medical journal*)
- Giant ureteral stone: Report of a case (*Kowsar medical journal*)
- Does age affect outcomes of percutaneous nephrolithotomy? (*Urology Journal*)
- Tamsulosin and spontaneous ureteral stone expulsion (*JAUMS*)
- Desmopressin as an Alternative Solution for Urinary Leakage after Ureterocaliceal Surgeries (*Urology Journal*)
- Effect of KTP Laser on Surgically Resected Adenomas of Prostate (*JLMS*)
- Trans-Ureteral Ureterolithotripsy of Ureteral Calculi: Which is the Best; Pneumatic or Holmium Laser Technique? (*JLMS*)
- Successful Macrosurgical Reimplantation of an Amputated Penis (*Urology Journal*)
- Synchronous Contra Lateral Transitional Cell Carcinoma (TCC) of the Kidney and Bladder (*Iranian Journal of cancer prevention*)
- Neurological symptoms as the first presentation of Transitional Cell Carcinoma of Renal Pelvis (*Iranian Journal of cancer prevention*)
- Safety and efficacy of anticholinergic and α -blocker combination therapy in treatment of benign prostatic hyperplasia (*JAUMS*)

- Metastatic lymphoma of the penis (Urmia medical journal)
- "Is there any role for urodynamic study in children with high grade vesicoureteral reflux?" (Pediatric Urology)
- Fistula Repair After Hypospadias Surgery Using Buccal Mucosal Graft (Urology Journal)
- Ultrasonography-Guided Percutaneous Nephrolithotomy in the Flank Position Versus Fluoroscopy-Guided Percutaneous Nephrolithotomy in the Prone Position: A Comparative Study (JOURNAL OF ENDOUROLOGY)
- Effect of KTP Laser on Surgically Resected Adenomas of Prostate (Journal of Lasers JLMS)
- Effect of KTP Laser Made by AEOI on Resected Prostate after Open Prostatectomy
- Isolated renal hydatid cyst: Diagnosis and Management
- Tamsulosin and spontaneous expulsion of ureteral stones (JAUMS)
- Desmopressin as an Alternative Solution for Urinary Leakage After Ureterocaliceal Surgeries (Urology Journal)
- Successful Macrosurgical Reimplantation of an Amputated Penis (Urology Journal)
- Penile Preservation for Male Urethral Cancer
- سنگ بسیار بزرگ حالب (گزارش موردی) مجله پزشکی کوثر
- لنفوم متاستاتیک به آلت تناسلی (مجله پزشکی ارومیه)
- Innovative and feasible dilation technique for long urethral strictures
- An unusual Case of Transitional Cell Carcinoma of Renal Pelvis Presenting with Brain Metastases (مجله ارمان دانش)
- Does Age Affect Outcomes of Percutaneous Nephrolithotomy? (Urology Journal)
- Supracrural Rerouting as a Technique for Resolution of Posterior Urethral Disruption Defects (Urology Journal)
- Safety and efficacy of anticholinergic and α -blocker combination therapy in treatment of benign prostatic hyperplasia (JAUMS)
- Direct Vision Internal Urethrotomy with Application of the Holmium:YAG Laser
- Neurological symptoms as first presentation of transitional cell carcinoma of renal pelvic (Iranian Journal of Cancer Prevention)
- Synchronous Contra Lateral Transitional Cell Carcinoma (TCC) of the Kidney and Bladder (Iranian Journal of Cancer Prevention)
- Trans-Ureteral Ureterolithotripsy of Ureteral Calculi: Which is the Best; Pneumatic or Holmium Laser Technique? (Journal of Lasers in Medical Sciences)
- Comparison of Open Versus Laparoscopic Versus Hand-Assisted Laparoscopic Nephroureterectomy: A Systematic Review and Meta-analysis (Journal of Laparoscopic & Advanced Surgical Techniques)
- Laser Application in Iran Urology: A Narrative Review (Journal of lasers in medical sciences)
- Recurrent hematuria in renal angio-venous malformation, delay diagnosis and endovascular treatment, a case report (Urology case reports)
- Evaluation of 200 Mm, 365 Mm and 500 Mm Fibers of Ho: YAG Laser in Transurethral Lithotripsy of Ureteral (Journal of lasers in medical sciences)
- Retained Surgical Gauze Presenting With Gross Hematuria: A Case Report (Urology Journal)
- Complications in Transurethral Resection of the Bladder Tumor: Using Nerve Stimulator with or Without Ultrasonography for Obturator Nerve Block: A Comparative Study (International Journal of Cancer Management)
- Ureteral Reimplantation or Percutaneous Nephrostomy: Which One Is Better in Management of Complete Ureteral Obstruction Due to Advanced Prostate Cancer? (International Journal of Cancer Management)

- Stent Removal in 200 Kidney Transplant Recipients: Nonoperative Versus Endoscopic Removal.(Urology Journal)
- The Effect of Human Chorionic Gonadotropin Therapy on Semen Parameters and Pregnancy Rate after Varicocelelectomy(current urology journal)

ز) داوری مقالات در نشریات داخلی و خارجی

- داوری مقالات ارولوژی ژورنال - مرکز لبافی نژاد
- داوری مقالات مرکز تحقیقات لیزر - بیمارستان شهدا
- داوری مقالات مرکز تحقیقات سرطان - بیمارستان شهدا

• موضوعات مورد علاقه تحقیق

• تالیف و ترجمه

- تالیف کتاب یوروداینامیک
- تألیف فصول یک از کتاب ارولوژی جامع (رفرنس بورد ارولوژی کشور)

• مهارت ها و علائق

- Membership of European urology Association, (2008-present)
- Membership of Iranian urological Association, (2006-present)
